Special Weather Statement issued April 17 at 6:48AM EDT by NWS Cleveland OH

Description

-----

Areas of fog have developed across northern Ohio this morning. Some of this fog may be locally dense with visibility as low as one-quarter of a mile. Conditions are expected to improve later this morning. If driving, use your headlights, allow extra time to reach your destination, give extra distance between you and the car in front of you, and be prepared for rapid changes to visibility.
